Accelerate your personal learning and team initiatives by joining this unique, one-day event. SharePoint Saturday is a free, community-focused SharePoint and Office 365 event dedicated to educating and engaging members of the local Utah community. We've got local, national, and even international speakers providing some incredible sessions.

Interested In Joining A Free SharePoint Online 101 Class?

Are you interested in learning about what SharePoint Online in Office 365 is and how to work with it. We will have a session as an introduction to SharePoint. If you've always wanted to learn SharePoint in the cloud, this is for you.
